**SEPTEMBER 21<sup>ST</sup> - INSTALLATION DINNER** – time to install our new officers and board and to say thanks to those who served us so well this past year. The dinner will be held at Spin-a-Yarn. Time is 6:30 cocktails and 7:00 dinner. The cost and menu to be determined – we'll let you know in plenty of time. Remember the dinner needs to be paid in advance. This is a fun evening, so be sure to bring along your spouse or significant other – and maybe even a prospective new member.

**EVERYONE LOVES A PARADE** – so join the Club and our Duckie Mascot and S.O.A.P.S members in the annual Newark Days Parade, Saturday, September 16<sup>th</sup>. Line up is 8:30 am and the parade goes down Newark Blvd., starting at Thornton Ave and ends on Cedar Blvd at MacGregor School and the fair grounds. There will be hundreds of spectators along the parade route. Time to show everyone there is an active Kiwanis Club in the area. Lets have a big contingent and celebrate Newark's 51<sup>st</sup> birthday. Contact Marsha if you are going to be in the parade – she will be getting all the line up information from the Newark Days Parade Chair.

**Community Services Faire** – We will also be participating in the Newark Days Community Service Faire on Sunday, September 17<sup>th</sup> from noon to 5 pm doing Child ID and giving away children's books. Let Marsha know if you can help.

**RELAY FOR LIFE** – Congratulations to all – we did GREAT! Kiwaniwalk raised \$3,314.13. With a goal of \$3,000 and only about 3 weeks to raise the funds – you all were spectacular. We came in 14<sup>th</sup> out of 45 teams. And – we beat Rotary – who raise \$1,0547! We have signed on the do it again next year – and this time we'll start earlier. Plans are for it to be the weekend after Fathers Day which should be the 23-24 of June.

**NEW & NOT SO NEW** – There has been considerable interest in providing Meals on Wheels again – and it looks like there are initially enough members to do it weekly. Veronique has graciously volunteered to Chair this service project. Get in touch with her if you want to be added to the list of drivers. The more we have – the less weeks everyone will have to drive.

### **LIVE TO LEAVE**

I shall leave  
    Yet  
I shall live  
    to see  
    to hear  
to feel and understand  
    but not fear  
    to grow  
even though  
I shall leave  
I shall live  
    to see  
the future of you  
the future of me  
the future of humanity  
even when I know  
I should leave  
I shall live  
    to believe  
that I will live my life  
until the day I leave

On a personal note – it has been a pleasure (sometimes) writing this news since 1999. I gladly turn it over to Allen who I know will do a bang up job. So – as they say in the newspaper business – that’s 30 for me.
